As at the financial year ended 31 July 2025, there is no amount owing by the Related Parties pursuant to the Recurrent Transactions that have exceeded the credit terms. Hence, there was no late payment charges imposed on the Related Parties.

2.4 Procedures engaged to determine transaction prices and terms and conditions

The transaction prices, terms and conditions of the transactions are determined by market forces, under similar commercial terms for transactions with third parties which depend on the demand and supply of the products in the market and with no special treatment accorded to the Related Parties. Transactions entered into will be at prevailing market prices and/or taking into consideration the prevailing market conditions as well as *inter-alia*, pricing, quality of the products and/or services and the timing of delivery.

A-Rank Group has implemented procedures to ensure proper identification and reporting of Recurrent Transactions, and to ensure that the Recurrent Transactions are conducted on arms-length basis, on prices and terms not more favourable to the Related Parties than those generally available to the public and not to the detriment of the minority shareholders of the Group. The procedures are as follows:

- (a) A list of Related Parties has been circulated to the Directors and management of the Company and its subsidiaries to notify that all Recurrent Transactions are required to be undertaken at arm's length and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public. The interested Directors and Major Shareholders are required to declare and disclose to the Board in a timely manner on transactions in which they are deemed interested;
- (b) Records pertaining to the RRPTs will be analysed and monitored by the management. The status of these RRPTs will be reported by management to the Audit Committee on a quarterly basis;
- (c) Management will ensure that transactions are made based on terms that are not more favourable to the Related Parties than those generally available to the public by considering the prevailing market prices, commercial terms of transactions with third parties, business practices, policies and terms which are generally acceptable in the industry norms, quality, quantity, delivery time and track record of past performance;
- (d) The Directors having interest in any RRPT shall abstain from the Board deliberations and shall ensure that the Major Shareholders and Persons Connected with them abstain from voting on the resolution approving the transactions;
- (e) At least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by related third parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities;
- (f) In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the authorised Directors and senior management who have no interest in the relevant RRPT based on the usual commercial terms, business practices and policies or otherwise in accordance with other applicable industry norms/considerations to ensure that the RRPT is not detrimental to the Group;
- (g) The internal audit plan shall incorporate a review of all RRPT on an annual basis to ensure that all relevant approvals have been obtained and the review procedures in respect of such transactions are adhered to. Any divergence will be reported to the Audit Committee;
- (h) The Audit Committee will review all RRPTs to ensure that relevant approvals have been obtained and the review procedures in respect of RRPTs are adhered to. There are no thresholds for approval of RRPTs as all the transactions approved pursuant to shareholders' mandate obtained in the general meeting for RRPTs are monitored, reviewed and approved by authorised Directors and senior management who have no interest in the relevant RRPT;
- (i) The Audit Committee will report its findings to the Board for further action if during the quarterly review, the Audit Committee is of the view that the guidelines and procedures are not sufficient to ensure that the RRPTs are carried on normal commercial terms and/or the RRPTs are deemed detrimental to the minority shareholders of the Company;
- (j) The Audit Committee/Board shall continue to review the procedures based on the internal audit report taking into consideration the effectiveness and sufficiency of the procedures; and
- (k) Disclosure shall be made in the annual report of the aggregate value of RRPTs conducted pursuant to the shareholders' mandate during the financial year.

2.5 Statement by the Audit Committee

The Audit Committee of the Company has seen and reviewed the procedures mentioned in Section 2.4 above and is of the view that:

- (a) the terms of the procedures established are sufficient to ensure that the Recurrent Transactions:
 - (i) are conducted at arm's length basis and on normal commercial terms and transaction prices and such transactions are not more favourable to the Related Parties than those generally available to the public; and
 - (ii) are not to the detriment of the minority shareholders; and
- (b) the Group has in place adequate procedures and processes to monitor, track and identify Recurrent Transactions in a timely and orderly manner, and such procedures and processes are reviewed on a quarterly basis or whenever the need arises.

2.6 Validity Tenure of Proposed RRPT Mandate

The Proposed RRPT Mandate, if approved by the Shareholders of A-Rank at the forthcoming AGM, will take effect from the date of the passing of the resolution proposed at the AGM and is subject to annual renewal. In this respect, the mandate arising therefrom will continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which such mandate was passed, at which time it will lapse, unless by a resolution passed at the said AGM, such authority is renewed;
- (b) the expiration of the period within which the next AGM after the date it is required to be held pursuant to Section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (c) revoked or varied by resolution passed by the Shareholders of the Company in general meeting,

whichever is the earlier.

2.7 Disclosure in Annual Report

Disclosures will be made in the annual report of the Company of the breakdown of the aggregate value of Recurrent Transactions conducted pursuant to the shareholders' mandate during the financial year, based on the following information:

- (a) the types of Recurrent Transactions made; and
- (b) the names of the Related Parties involved in each type of the Recurrent Transactions made and their relationship with the Company.

3. RATIONALE FOR AND BENEFITS OF THE PROPOSED RRPT MANDATE

The Recurrent Transactions entered or to be entered into by A-Rank Group with the Related Parties are in the ordinary course of business on normal commercial terms for the Group's day-to-day operations. These are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time. The above Recurrent Transactions will generate income and profitability to the Group which are necessary to facilitate the functions of the Group. Hence, they are of benefit to A-Rank Group.

The Recurrent Transactions are intended to meet the business needs of the Group at the best possible terms. By transacting with the Related Parties, the Group would have an advantage of familiarity with the background and management of the Related Parties. The Group and the Related Parties have close co-operation and a good understanding of each other's business needs thus providing a platform where all parties can enjoy synergistic benefits from conducting the Recurrent Transactions.

By obtaining the Shareholders' approval for the Proposed RRPT Mandate on an annual basis, A-Rank Group can pursue business opportunities which are time-sensitive in nature, and will eliminate the need for the Company to make announcements and/or convene separate general meetings from time to time to seek shareholders' approval, as and when potential Recurrent Transactions arise, thereby reducing the administrative time, effort and expenses associated with the convening of such meetings. This will allow the human resources and time to be channeled towards attaining the corporate objectives and opportunities available to A-Rank Group.

4. APPROVAL REQUIRED

The Proposed RRPT Mandate is subject to the approval of the Shareholders at the forthcoming AGM to be convened. Save for the approval of Shareholders of A-Rank, there are no other approvals required for the Proposed RRPT Mandate.

5. INTERESTS OF THE DIRECTORS, MAJOR SHAREHOLDERS AND/OR PERSONS CONNECTED WITH THEM
